

Full Redline — TMHCC 0223C → Final Wording

This document is a complete, holistic tracked-changes comparison generated afresh from the TMHCC 0223C baseline wording against the latest final wording (commit 58b8340). It is NOT a summary of recent enhancements — it shows every textual difference between the two wordings.

How to read this redline: Open in Microsoft Word with Review ► All Markup. Deleted 0223C text shows struck-through (red); inserted final-wording text shows underlined. Two tracked-change authors are used so they remain separately identifiable: “TMHCC Base Redline (0223C→Final)” for ordinary changes, and “UW Review Enhancement” (yellow-highlighted) for the rounds 7–9 enhancements that are still awaiting underwriting/legal sign-off and must NOT be accepted without sign-off. A separate Enhancement Register lists every UW item.

Legend: deleted from 0223C inserted into final wording UW Review Enhancement (yellow highlight)

Fair Presentation of Risk

The Insured must take care to give accurate and complete information relating to the insurance provided by this Policy and is required to make a fair presentation of the risks that are or would be insured under this Policy.

A fair presentation of the risks means that, in addition to answering any questions asked, the Insured must:

disclose to the Insurer every material fact or circumstance which the Insured know or ought to know or, failing that, sufficient information to alert the Insurer of the need to make further enquiries;
make such disclosure in a reasonably clear and accessible manner; and
ensure that, in such disclosure, any material representation as to a matter of fact is substantially correct, and a matter of expectation or belief is made in good faith.

A circumstance is material if it would influence the Insurer's judgement (as a prudent underwriter) in determining whether to take the risk and, if so, on what terms. If the Insured is in any doubt as to whether a circumstance is material, then the Insured should disclose it.

If the Insured becomes aware that the information the Insured has given to the Insurer is inaccurate or incomplete or the Insured has any particular concerns about any of the information the Insured have provided or should provide, before or after the start date of this insurance as shown in the Period of Insurance, then the Insured must advise the Insured's Insurance Adviser.

If the information the Insured has given the Insurer in relation to this insurance proves to be inaccurate or incomplete, then the Insurer may:

amend the terms of this Policy, which may be applied as if they were already in place prior to any claim where the validity of that claim was impacted by the inaccurate or incomplete information, or
reduce the amount the Insurer pay on a claim in the proportion the premium paid bears to the premium that the Insurer would have charged the Insured had the information not been inaccurate or incomplete, or
treat this Policy as if it never existed, which means no claims will be paid and the Premium paid under it will be returned. This will only be done if this insurance would not have been provided if the information given had not been inaccurate or incomplete.

If the Insurer establishes that the Insured deliberately or recklessly provided false or misleading information in relation to the insurance provided under this Policy, the Insurer will treat this insurance as if it never existed for the Period of Insurance, which means no claims will be paid and the Insurer will not return the Premium. If this happens the Insurer will advise the Insured in writing to the Insured's address shown in the Schedule.

If the Insured becomes aware that any information it has provided is inaccurate, or if its insurance requirements change, the Insured must inform its Insurance Adviser as soon as practicable.

If:

the information the Insured has given the Insurer in relation to this insurance changes, or

there is any significant change in or variance of the risk,

before or during the Period of Insurance, then the Insured must notify the Insurer in writing as soon as practicable as it may result in:

the Insurer applying different terms; and/or

a claim not being paid (in whole or in part); and/or

it being determined that this Policy is no longer suitable to meet the Insured's needs.

The Insured must make a fair presentation of the risks to the Insurer if there is any significant change in or variance of the risk before or after the start date of this insurance.

The decision to impose additional terms will be at the absolute discretion of the Insurer and will be based upon what the Insurer would have done had a fair presentation of risk been made and will be notified in writing to the Insured's Insurance Adviser.

In the event that any loss relates to Property Insured by the Business "All Risks" ~~Section or the Information-Technology~~ Section and the Insurer charges an additional premium then it is at the Insurer's discretion whether to pay to the Insured the value of the Property Insured at the time of any Damage or at the Insurer's option reinstate or replace such Property Insured or any part of the Property Insured.

International Sanctions

The Insurer will not provide cover, be liable to pay any claim or provide any benefit if to do so would expose the Insurer (or any parent company, direct or indirect holding company of the Insurer) to any penalty or restriction (including extraterritorial penalties or restrictions so far as such do not contradict laws applicable to the Insurer), arising out of any trade and economic sanctions laws or regulations which are applicable to it.

Limit of Liability—applicable to Sections 1-12

~~The liability of the Insurer for Compensation payable under any one Section (or Item or Sub-Section therein) or Extension for any one claimant or number of claimants in respect of or arising out of any one occurrence or series of claims arising out of any one occurrence or all occurrences of a series consequent on or attributable to one source or original cause shall not exceed the appropriate Limit of Liability stated in the Specification to the relevant Section.~~

Legal Defence Costs and Expenses

The Insurer will pay in addition to any indemnity under Insuring Clause 1. (Indemnity) all Defence Costs and Expenses provided that:

- ~~a. — if the amount paid or agreed to be paid by or on behalf of the Insured to dispose of a claim exceeds the Indemnity Limit the Insurer will only be liable for that proportion of the Defence Costs and Expenses which the Indemnity Limit bears to the amount paid or agreed to be paid;~~
- ~~b. — in the event that the Insurer elects to make a payment to the Insured pursuant to Notification and Claims Condition — Applicable to this Section then the Insurer shall have no liability to pay Defence Costs and Expenses incurred after the date upon which such payment is made.~~
- if the amount paid or agreed to be paid by or on behalf of the Insured to dispose of a claim exceeds the Indemnity Limit the Insurer will only be liable for that proportion of the Defence Costs and Expenses which the Indemnity Limit bears to the amount paid or agreed to be paid;
- in the event that the Insurer elects to make a payment to the Insured pursuant to Notification and Claims Condition – Applicable to this Section then the Insurer shall have no liability to pay Defence Costs and Expenses incurred after the date upon which such payment is made.

Rectification

For additional expenses, other than those covered under Insuring Clause 8. (Withdrawal of Content) of this Section directly incurred, with the prior written consent of the Insurer, in successfully rectifying a problem which otherwise would lead to a claim in excess of such expenses under Insuring Clause 1. (Indemnity) of this Section.

If the Insured is unable to get approval from the Insurer due to time constraints or lack of detailed information, the Insurer will pay such expenses provided that the Insured can demonstrate that: such expenses were less than the amount of a potential claim; and

~~b. — the amount is reasonable; and~~

~~c. — the Insured's client has received the same level and quality of service or deliverables that they were originally entitled to receive.~~

the amount is reasonable; and

the Insured's client has received the same level and quality of service or deliverables that they were originally entitled to receive.

Any payment made under this Clause will exclude the Insured's lost profit, mark-up, or VAT or its equivalent and compensation for management time or any lost files or commissions from any other client or potential client. If a claim is later made the amount of expenses paid under this Section will be deducted from the Indemnity Limit for that claim.

Irrecoverable fees

For amounts owed to the Insured, including amounts legally owed by the Insured to sub-contractors or suppliers, due to the refusal of the Insured's client to pay for work done by the Insured for them where such client has reasonable grounds for being dissatisfied with the work and threatens to bring a claim for more than the amount owed, and which would otherwise be covered under Insuring Clause 1. (Indemnity), provided that such threat is first made against the Insured and notified to the Insurers during the Period of Insurance. In such circumstances, if it is possible to settle the dispute by agreeing not to pursue the outstanding amount, the Insurer will agree to pay the amount owed if they consider that it will avoid a legitimate claim under Insuring Clause 1. (Indemnity) for a greater amount. If, following this, a claim under Insuring Clause 1. (Indemnity) still arises then the amount paid under this Section will be deducted from the Indemnity Limit. If the Insured eventually recovers part or all of the debt then such recovered amount shall be repaid to the Insurer less the Insured's reasonable expenses of recovering the debt due.

Commitment to Media Space or Print Time

For claims first notified by the Insured, during the Period of Insurance relating to amounts that the Insured is committed to pay for media space or print time, but where the Insured's client refuses to pay due to allegations that the Insured has acted outside its authority, the Insurer will pay such an amount if it can be shown, by the Insured, that it cannot legally be recovered from the client and that all reasonable steps have been taken to reduce or avoid the loss.

Data Protection Defence Costs

Up to a maximum of GBP 250,000 (two hundred and fifty thousand pounds sterling) in the aggregate in the Period of Insurance, in respect of legal costs and expenses incurred with the Insurer's prior written consent in the defence of any criminal proceedings brought against the Insured during the Period of Insurance under The Data Protection Act 1998 or amending or superseding legislation provided always that:

the act, error or omission giving rise to the proceedings shall have been committed by the Insured in the ordinary course of their Media Business Services;

the Insurer shall be entitled to appoint solicitors and counsel to act on behalf of the Insured;

the Insurer shall have no liability to pay costs incurred subsequent to a plea or finding of guilt on the part of the Insured, or in the event that counsel should advise that there are no reasonable prospects of successfully defending the proceedings, except for costs incurred solely for the purpose of making a plea in mitigation before sentencing or costs incurred in making an appeal if counsel shall advise that the prospects of a successful appeal following a finding of guilt are reasonable.

Reputation Management

Following a claim under Insuring Clause ~~1. (Indemnity)~~, 1. (Indemnity), up to a maximum of GBP 250,000 (two hundred and fifty thousand pounds sterling), for all reasonable costs incurred with the Insurer's prior written consent for a public relations and/or crisis management consultant to avert or mitigate any material damage to the Insured's Media Business Services reputation.

Withdrawal of Content

Up to a maximum of GBP 250,000 (two hundred and fifty thousand pounds sterling) for expenses necessarily incurred, with the prior written consent of the Insurer, in the withdrawal or alteration of any data, text, sounds, images or similar content as a result of or in mitigation of a claim or potential claim which would otherwise be covered under Insuring Clause 1, including as a result of a complaint made to the Advertising Standards Authority (ASA), the Office of Communications (Ofcom), Trading Standards Officers or any other regulatory or self-regulatory body.

The Insurer will only pay such expenses if the Insured can demonstrate that:

such content would, if not withdrawn or altered, lead to a claim under Insuring Clause 1. (Indemnity) equal to or in excess of the expenses necessarily incurred in the withdrawal or alteration of the content; and the expenses incurred are necessary to successfully avoid such claim.

Any payment made under this Clause will exclude the Insured's lost profit, mark-up, or VAT or its equivalent and compensation for management time or any lost files or commissions from any other client or potential client. If a claim is later made the amount of expenses paid under this Section will be deducted from the Indemnity Limit for that claim.

9. — Compensation for Court Attendance

If the Insured has to attend court as a witness in connection with a claim covered under Insuring Clause 1 the Insurer will provide compensation to the Insured at the following rates per day for each day on which attendance is required:

~~i — any director or partner of the Insured: GBP 500 (five hundred pounds sterling);~~

~~ii — any Employee of the Insured: GBP 250 (two hundred and fifty pounds sterling).~~

10. — Costs for Prosecuting Infringement of the Insured's Intellectual Property Rights

any director or partner of the Insured: GBP 500 (five hundred pounds sterling);

any Employee of the Insured: GBP 250 (two hundred and fifty pounds sterling).

Costs for Prosecuting Infringement of the Insured's Intellectual Property Rights

Up to a maximum of GBP 25,000 (twenty-five thousand pounds sterling) in the aggregate in the Period of Insurance, for the reasonable and necessary costs and expenses incurred by the Insured, with the Insurer's prior written consent, in the pursuance of any claim first made by the Insured against a third party during the Period of Insurance, for infringement of intellectual property rights first discovered by the Insured during the Period of Insurance where the ownership of such rights is vested in the Insured.

For the purposes of this Insuring Clause the Insurer will only give prior consent where the Insured has provided, at their own expense, an opinion from a solicitor, barrister or suitably qualified intellectual property agent evidencing the existence of the Insured's intellectual property rights, the infringement of those rights, a measurable loss and a reasonable prospect of success.

~~For the avoidance of doubt, the Insurer's total liability to indemnify the Insured under any combination of these Insuring Clauses shall not exceed the Sum stated in the Specification under the heading "Indemnity Limit" in respect of any one claim or series of claims arising out of one originating cause regardless of the number of Insuring Clauses that it or they might relate to.~~

Representation Costs at Investigations and Inquiries [UW REVIEW ENHANCEMENT — awaiting underwriting/legal sign-off; not accepted]

Up to a maximum of GBP 25,000 (twenty-five thousand pounds sterling) in the aggregate in the Period of Insurance, for the reasonable costs and expenses incurred by the Insured, with the Insurer's prior written consent, in respect of attendance at or representation before any official examination, investigation, inquiry or other proceeding arising from the Insured's Media Business Services and which is likely to give rise to a claim under Insuring Clause 1. (Indemnity). This cover forms part of and does not increase the Indemnity Limit.

Costs for the Protection of Journalistic Sources [UW REVIEW ENHANCEMENT — awaiting underwriting/legal sign-off; not accepted]

Up to the sub-limit stated in the Schedule against this Extension, for the reasonable legal costs and expenses incurred by the Insured, with the Insurer's prior written consent, in opposing or responding to any subpoena, court order or other legal compulsion requiring the Insured to disclose the identity of a confidential journalistic source, where such disclosure arises from the Insured's Media Business Services. The Insurer will only provide such cover where, in the opinion of counsel, there are reasonable grounds to oppose disclosure. This cover forms part of and does not increase the Indemnity Limit. [UW REVIEW ENHANCEMENT — awaiting underwriting/legal sign-off; not accepted]

Criminal and Regulatory Defence Costs [UW REVIEW ENHANCEMENT — awaiting underwriting/legal sign-off; not accepted]

In addition to the Data Protection Defence Costs provided above, the Insured is reminded that defence of criminal and regulatory proceedings may also be available under Section 13 (Commercial Legal Expenses) and Section 14 (Management Liability), subject to the terms of those Sections. The Insurer will further contribute, up to the sub-limit stated in the Schedule against this Extension and with the Insurer's prior written consent, towards the reasonable defence costs of any criminal or regulatory proceeding brought against the Insured arising directly from the conduct of the Insured's Media Business Services, save to the extent that cover is provided under Section 13 or Section 14. This cover forms part of and does not increase the Indemnity Limit and excludes fines, penalties and any costs incurred after a plea or finding of guilt.

For the avoidance of doubt, the Insurer's total liability to indemnify the Insured under any combination of these Insuring Clauses shall not exceed the Sum stated in the Schedule under the heading "Indemnity Limit" in respect of any one claim or series of claims arising out of one originating cause regardless of the number of Insuring Clauses that it or they might relate to.

For the avoidance of doubt the indemnity provided under Insuring Clauses 5.-10. is not additional to and shall not increase the Indemnity Limit.

Extensions

In respect of indemnity provided under Insuring Clause 1 (Indemnity) and subject otherwise to this Policy's terms and conditions the following Extensions of cover apply:

Joint ventures

The Insured is indemnified up to the Indemnity Limit for any claim or Circumstance arising from Media Business Services carried out by or in the name of a consortium of professional people or firms or other association formed of which all or any of the Insured form part for the purpose of undertaking any joint venture or any other profit-sharing arrangement but only in respect of the direct acts or omissions of the Insured.

Indemnity to Principals

If the Insured so requests, the Insurer will indemnify any Principal with whom the Insured has entered into an agreement as far as is necessary to meet the requirements of such agreement but only in respect of liability incurred to independent third parties arising directly from the Media Business Services performed by the Insured.

Distributors and Purchasers [UW REVIEW ENHANCEMENT — awaiting underwriting/legal sign-off; not accepted]

The Indemnity provided by Insuring Clause 1. (Indemnity) is extended to apply to any purchaser, co-producer, licensee or distributor of Media Material produced or supplied by the Insured, but only in respect of claims arising from such Media Material and only where the Insured is contractually obliged to provide such indemnity. The Insurer's total liability under this Extension shall not exceed five (5) times the Indemnity Limit in the aggregate during the Period of Insurance for all claims arising from each production of Media Material so purchased, co-produced, licensed or distributed. Cover under this Extension is conditional upon the Insurer retaining the right to conduct the defence and settlement of any such claim, and upon any claim being first made against, and notified to the Insurer by, the Insured during the Period of Insurance. [UW REVIEW ENHANCEMENT — awaiting underwriting/legal sign-off; not accepted]

Worldwide Territory and Jurisdiction (Optional) [UW REVIEW ENHANCEMENT — awaiting underwriting/legal sign-off; not accepted]

This Optional Extension applies only if stated as operative in the Schedule. Where stated as operative, the Geographical Limits applicable to this Section are amended to anywhere in the world and the Jurisdiction applicable to this Section is amended to worldwide, and the exclusions of claims brought, or in which the governing law is contended to be, outside the Jurisdiction shall not apply. Cover in respect of claims brought in, or determined under the laws of, the United States of America or Canada (or any territory or protectorate thereof) applies only if "USA/Canada Jurisdiction" is additionally stated as operative in the Schedule.

Mergers and Acquisitions

If, during the Period of Insurance the Insured creates or acquires a company or companies subsequent to inception and the turnover relating to all such created or acquired companies does not exceed 20% (twenty percent) of the estimated turnover of the companies covered under this Policy at inception (less the turnover for companies sold during the Period of Insurance), then this Policy shall include as an Insured any such company created or acquired automatically from the date of creation or acquisition without additional premium provided that:

- ~~i. — Media Business Services carried out by such company is similar to that of the Insured; and~~
- ~~ii. — prior to the acquisition the acquired company's directors or officers shall not have notified or be aware of any professional indemnity claims or circumstances; and~~
- ~~iii. — the Retroactive Date applicable to the Media Business Services of the new entity is deemed to be the date of acquisition or creation;~~

This Management Liability Section shall be extended to include as Insured Person the lawful spouse or domestic partner, including same sex relationship civil partnerships, of an Insured Person to the extent that such person is subject to a proceeding solely by reason of their ownership interest in property which a claimant seeks as recovery in respect of a Claim against such Insured Person.

This Management Liability Section shall be extended to cover the Loss of the Named Company resulting from any Claim first made against the Named Company during the Period of Insurance, (or Discovery Period, if applicable), for any actual or alleged offence within the meaning specified in the 2010 UK Bribery Act or any amendment thereof committed or allegedly committed in the United Kingdom.

Notification and Claims Conditions applicable to this Management Liability Section

Notice

The Insured shall give written notice, including full details, to the Insurer of any Claim or any Wrongful Employment Practice as soon as reasonably practicable within the Period of Insurance, (or Discovery Period, if applicable), and, where it has not been reasonably practicable for the Insured to give notice during the Period of Insurance, (or Discovery Period, if applicable), then notice shall be given within 28 days of the date of expiration of the Period of Insurance, (or Discovery Period, if applicable).

If written notice of a Claim has been given to the Insurer as prescribed above, then any further Claim which arises out of, based upon or attributable to the same or related or continuous or repeated Wrongful Acts will be considered together with the earlier Claim as a Single Claim and will be deemed to have been first notified at the time of the original notice.

If, during the Period of Insurance, the Insured becomes aware of any circumstances which may reasonably be expected to give rise to a Claim, and gives written notice to the Insurer of such circumstances and the reasons for anticipating such a Claim, with full particulars as to dates, persons and entities involved, potential claimants and the consequences which have resulted or may result from any anticipated Wrongful Act, then any Claim subsequently arising out of, based upon or attributable to essentially the same circumstances or Wrongful Acts will be deemed to have been first made at the time notice was first given.

All notices under Claims condition A shall be in writing, referring to the Policy Number, and be made to the address set out in the Schedule.

Notification of Claims in compliance with this Claims Condition A is a condition precedent to the liability of the Insurer hereunder.

Defence and settlement of claims and consent

It is the duty of the Insured, not the Insurer, to defend Claims. The Insurer shall be entitled to participate fully in the investigation, defence and negotiation of any settlement of any Claim. In respect of any Claim brought or maintained by, on behalf of or at the instigation of any Insured, Outside Entity or the latter's directors or officers, the Insurer shall have the right (but not the duty) to control the investigation, defence and negotiation of any settlement of such Claim.

In the event of any disagreement arising between the Insurer and an Insured as to whether or not to contest or settle any legal proceedings or proceed with any appeal of a decision of a Court, then the parties agree that it shall be determined by a King's Counsel to be mutually agreed upon, or in default of agreement to be nominated by the Chairperson of the Counsel to be mutually agreed upon, or in default of agreement to be nominated by the Chairperson of the Bar Council. Such King's Counsel shall act as an expert and not an arbitrator and their determination shall be based upon the written submissions of the parties and shall be final and binding on the parties. There shall be no obligation on the King's Counsel to provide reasons unless specifically requested by the Insured or the Insurer. The costs of any reference to determination shall be deemed to form part of the Defence Costs.

An Insured shall not admit or assume any liability, enter into any settlement agreement, consent to any judgment, pay any Loss, or otherwise incur any Defence Costs without the Insurer's prior written consent, which shall not be unreasonably withheld or delayed. The Insurer shall not be liable to pay any settlement incurred without its prior written consent.

The Insured shall provide to the Insurer all information, assistance and cooperation with regard to a Claim.

The Insurer shall advance Defence Costs on an as-incurred basis in respect of covered Claims. If it is finally determined that any such Defence Costs so advanced are not covered under this Management Liability Section, the Named Company shall repay such amounts to the Insurer.

Allocation

The Insurer shall pay only those amounts or portions of Loss allocated to covered matters claimed against the Insured. If the Insured incurs any Loss arising out of a Claim that includes both matters covered and matters not covered by this Management Liability Section, or that is made against both covered and non-covered parties, the Insured and the Insurer shall use their best efforts to determine a fair and proper allocation of the proportion of the Loss covered hereunder, taking into account the relative legal and financial exposures of the parties to the Claim and the relative benefits to be obtained by the resolution of the Claim.

If an allocation cannot be agreed between the Insured and the Insurer, then the parties agree that it shall be determined, having regard to the principles stated in this Claims Condition, by a King's Counsel to be mutually agreed upon, or in default of agreement to be nominated by the Chairperson of the Bar Council. Such King's Counsel shall act as an expert and not an arbitrator and their determination shall be based upon the written submissions of the parties and shall be final and binding on the parties. There shall be no obligation on the King's Counsel to provide reasons unless specifically requested by the Insured or the Insurer.

The costs of any reference to expert determination under this Claims Condition shall be borne equally by both the Insured and the Insurer.

Priority of payments

If the Insurer is liable to pay Loss covered under more than one Insuring Clause, then it shall pay such Loss in the order it falls due. However, where it appears reasonably likely the Limit of liability shall become exhausted by payments of Loss the Insurer shall, subject to the Limit of liability and unless compelled otherwise by law or any judicial or regulatory order, pay Loss in the following order:

to or on behalf of an Insured Person under Insuring Clause A1; then

to or on behalf of any Company under Insuring Clause A2; then

to or on behalf of any Company under Insuring Clauses B and C.

Subrogation and recoveries

In the event of any payment under this Management Liability Section, the Insurer shall be subrogated to the extent of such payment to all of the Insured's rights of recovery. The Insured shall execute all papers required and do everything reasonably necessary to secure such rights and to enable the Insurer to bring any recovery action or suit as reasonably required by the Insurer.

Any recovery received shall first be applied against any payment made by the Insurer with any balance remaining thereafter being remitted to or retained by the Insured or the Company, as applicable.

The Insurer shall not exercise any right of subrogation against an Insured Person unless Exclusion A applies to such Insured Person.

General Conditions applicable to this Management Liability Section

Change in control and automatic run-off

If, during the Period of Insurance, a Change in Control occurs, then coverage under this Management Liability Section will continue in full force and effect until the end of the Period of insurance with respect to Claims for Wrongful Acts committed or allegedly committed, and to Investigations in relation to events that actually or allegedly occurred or took place, before the effective date of such Change in Control, but coverage will cease with respect to Claims for Wrongful Acts committed or allegedly committed, and to Investigations in relation to events that actually or allegedly occurred or took place, thereafter (unless otherwise agreed to by the Named Company and the Insurer) and the premium will be considered fully earned in consideration of the coverage provided.

Limit of liability and retention

Limit of liability and Sub-Limits:

The Insurer's total liability under this Management Liability Section for all Loss shall not exceed the sum(s) stated in the Schedule for each Insuring Clause in respect of any one Single Claim.

Notwithstanding paragraph 1(a) above:

in respect of all claims brought or maintained in the United States of America, the Insurer's total liability, in the aggregate during the Period of insurance, under this Management Liability Section for all Loss shall not exceed the sum(s) stated in the Schedule for each Insuring Clause. Any payment of Loss under an Insuring Clause shall erode the applicable Limit of liability;

in respect of all Claims first notified during the Discovery Period, the Insurer's total liability, in the aggregate, under this Management Liability Section for all Loss shall not exceed the sum(s) stated in the Schedule for each Insuring Clause. Any payment of Loss under an Insuring Clause shall erode the Limit of liability;

in respect of all payments made for Non-Executive Director Extra Limit, the Insurer's total liability, in the aggregate during the Period of Insurance, under this Extension for all Loss shall not exceed the sum(s) stated in the Schedule.

The Insurer shall have no liability in excess of the Limit of liability applicable to the Insuring Clause in question, irrespective of the number of Claims, Insureds or amount of any Loss.

All Sub-Limits stated in the Schedule are aggregate for the whole Period of insurance (and Discovery Period if applicable) regardless of the number of Claims and are part of and not in addition to the Limit of liability applicable to the relevant Insuring Clause

Retentions:

The Insurer will be liable only for the amount of Loss which exceeds the Retention stated in the Schedule. Such Retention is to be borne by the Insured and remains uninsured.

A Retention shall not apply to Non-Indemnifiable Loss covered under Insuring Clause A1. All other Loss covered under Insuring Clause A1 shall be subject to a Retention to be repaid by the Company to the Insurer but not to be applied against the Insured Person.

In the event that a Claim is covered under more than one Insuring Clause, a single Retention amount will apply to all Loss resulting from such Claim, which shall be the highest of the applicable Retention amounts.

Other insurance and indemnification

This Management Liability Section shall always apply in excess of any other valid and collectible insurance or indemnification available to the Insured.

Coverage for Claims against an Outside Director will be specifically in excess of, and will not contribute with: any insurance policy purchased by the Outside Entity that provides similar coverage to such Outside Director (if such other insurance is provided by the Insurer, then the Limit of liability for Loss under this Management Liability Section shall be reduced by the amount paid for the benefit of the Outside Entity and/or the Outside Director under the other insurance provided by the Insurer to the Outside Entity); and any other indemnification from any other source to such Outside Director.

Representations and severability

The information, particulars and statements contained or referred to in the Proposal were material to the acceptance by the Insurer of the risk assumed under this Management Liability Section and have been relied upon by the Insurer.

For the purposes of determining the entitlement to cover under or avoidance of this Management Liability Section in respect of an Insured:

With respect to Insuring Clause A, no knowledge or information possessed by, or conduct of, any Insured Person will be imputed to any other Insured Person;

With respect to Insuring Clauses B and C:

the statements made by, information or knowledge possessed by and any conduct of any chief executive officer or chief financial officer (or the equivalent executive or management position) of the Named Company shall be imputed to all Companies; and

the knowledge and conduct of any chief executive officer or chief financial officer (or the equivalent executive or management position) of any other Company at the Inception Date shall be imputed to such Company.

Payment of premium

The Insurer's liability under this Management Liability Section shall be subject to full payment of the premium stated in the Schedule by the Named Company.

The Insurer may cancel this Management Liability Section for non-payment of premium by sending not less than fourteen (14) days' notice to the Named Company at the address stated in the Schedule. The Insurer may not otherwise cancel this Management Liability Section.

Notices and Authority

The Named Company shall act on behalf of all Insureds with respect to the giving and receiving of any notice required under this Management Liability Section, the payment of all premiums, the allocation of Loss, authorisations and disclosures in respect of the personal data, the declaration of risk and execution of this Management Liability Section and any amendments thereto.

In the event of a Claim by the Named Company or where, in relation to a Claim, the Named Company has some other conflict of interest, an Insured Person may withdraw their consent to the Named Company acting on their behalf with regard to the handling of such Claim, and elect to communicate directly with the Insurer; the Insurer shall have no obligation to communicate with any other Insured concerning such Claim.

Interpretation

Nothing in this Management Liability Section is intended to confer a directly enforceable benefit on any party other than the Insured.

Policy construction and disputes applicable to this Management Liability Section

This Policy and the Schedule will be interpreted in accordance with the laws of England and Wales. The Policy and the Schedule shall be read together as one contract and any word or expression to which a specific meaning has been attached in any part of this Policy or the Schedule shall bear such specific meaning wherever it may appear.

Any dispute concerning the interpretation of the terms, Conditions or Exclusions contained herein is understood and agreed by both the Insured and the Insurer to be subject to the laws of England and Wales. Each party agrees to refer any such dispute to a mediator to be agreed between the Insured and the Insurer within 14 working days of any dispute arising under the Policy. If a mediator is not agreed then either party may apply to the Centre for Effective Dispute Resolution ('CEDR') for the appointment of a mediator. The parties agree to share equally the costs of CEDR and of the mediator and that the reference of the dispute to mediation will be conducted in confidence.

The Insured and the Insurer agree to perform their respective continuing obligations under this Policy while the dispute is resolved unless the nature of the dispute prevents such continued performance of those obligations. If any such dispute is not resolved by mediation or the Insured and the Insurer cannot agree upon the appointment of a mediator or the form that the mediation will take the dispute will be submitted to the exclusive jurisdiction of any court of competent jurisdiction within England and Wales and each party agrees to comply with all requirements necessary to give such court jurisdiction. All matters arising hereunder shall be determined in accordance with the law and practice of such court.

Assignment

No assignment of interest under this Management Liability Section will bind the Insurer without the Insurer's written consent.

Covered Property so judged by the Named Insured to be unfit for reprocessing or selling will not be sold or disposed of except by the Named Insured or with the Named Insured's consent; and

any salvage proceeds shall be paid to the Insurer at the time of loss settlement, or to the Named Insured, if received prior to loss settlement and such proceeds will reduce the amount of loss payable accordingly.

If the Named Insured and the Insurer disagree on the value of the Covered Property or the amount of loss to which the Property Damage Loss applies, either party may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will pay its chosen appraiser and bear the other expenses of the appraisal and umpire equally. If there is an appraisal, the Insurer will still retain the right to deny the Claim.

Notice of Potential Claim

If, during the Period of Insurance, an Executive becomes aware of any incident, act, fact or circumstance that could reasonably be a basis for a Claim under any Third-Party Liability Insuring Clause of this Policy, and if the Executive gives written notice to the Insurers during the Period of Insurance that describes:

the specific details of the incident, act, fact or circumstance that could reasonably be the basis for the Claim;

the possible Damages, Regulatory Fines and Penalties or other amounts to which this Policy applies that may result or has resulted from the incident, act, fact or circumstance; and

the details regarding how the Executive first became aware of the incident, act, fact or circumstance,

then any Claim arising out of such reported incident, act, fact or circumstance will be considered to be a Claim first made on the date when the Insurers first received written notice complying with the above requirements.

Defence, Settlement and Investigation of Claims under the Third-Party Liability Insuring Clauses

Insurers have the right and duty to defend any Claim under any Third-Party Liability Insuring Clause of this Policy, even if the allegations of the Claim are groundless, false or fraudulent, including the right to appoint a lawyer to defend any such Claim.

The Insurer's payment of Defence Costs or any other amounts reduces, and may completely exhaust, the Cyber Limit of Liability available to pay Damages, where applicable, under this Policy.

The Insurer's duty to defend any Claim, or pay any Damages, Defence Costs or other amounts, shall cease upon exhaustion of the applicable Cyber Limit of Liability or the Maximum Policy Aggregate Limit, whichever is first. Upon exhaustion, the Insurer will have the right to withdraw from the defence of a Claim by tendering control to the Insured.

No Insured shall pay any Damages, Defence Costs, Regulatory Compensatory Award, Regulatory Fines and Penalties or PCI DSS Fines and Assessments, or settle or offer to settle any Claim, assume any contractual obligation, admit liability, make any payment, or confess or otherwise consent to any judgment without Insurers prior written approval. Insurers shall not be liable for any Damages, Defence Costs, Regulatory Compensatory Award, Regulatory Fines and Penalties, PCI DSS Fines and Assessments, settlement, judgment, assumed obligation, admitted liability or payment to which the Insurers have not given their prior written approval.

Insurers will not settle any Claim or pay any Damages, Regulatory Compensatory Award, Regulatory Fines and Penalties or PCI DSS Fines and Assessments without the Insured's consent.

If an Insured refuses to consent to any settlement or compromise recommended by Insurers that is acceptable to the claimant, and such Insured elects to contest the Claim or continue any legal proceedings in connection with such Claim, the Insurers liability for such Claim shall not exceed:

the amount for which the Claim could have been settled, less the remaining Excess, plus Defence Costs incurred up to the date such Insured withheld consent to such settlement, plus

seventy percent (70%) of any Defence Costs and Damages, Regulatory Compensatory Award, Regulatory Fines and Penalties or PCI DSS Fines and Assessments, whichever applies, incurred after the date such Insured withheld consent to such settlement or compromise, subject always to all other terms and conditions of this Policy, including, but not limited to, the applicable Excess and the Cyber Limit of Liability.

However, the above will not apply to any settlement where the total incurred Defence Costs and Damages, Regulatory Compensatory Award, Regulatory Fines and Penalties or PCI DSS Fines and Assessments, whichever applies, do not exceed the applicable Excess.

Choice of Counsel / Lawyer (applicable to all Insuring Clauses)

Insurers may consider an Insured's choice of counsel or lawyer to defend any Claim, or to advise and consult on the appropriate course of action with respect to any First Party Insured Event, but the final decision on selection of counsel or lawyer rests with Insurers. No Insured shall appoint counsel or lawyer without Insurers prior written approval.

Insurers will have no obligation to pay Defence Costs, Initial Breach Consultation Costs or any other legal expenses incurred by an Insured before the notice of Claim is received by Insurers or without Insurers prior written approval.

Related Claims

All Claims which arise out of the same, related or continuing Wrongful Acts or First Party Insured Events will be treated as follows:

all such Claims will be considered to be a single Claim, regardless of the number of claimants or Insureds;

all such Claims will be considered to have been first made on the date the earliest of all such Claims is first made and will be considered to be first reported to Insurers on the date the earliest of all such Claims is reported to Insurers;

all such Claims will be subject to the applicable Limit of Liability of the Policy in effect when the earliest of all such Claims is first made; and

only one Excess will apply to such Claim.

If multiple Insuring Clauses of this Policy apply to any Claim, the Insurer's total maximum Limit of Liability under this Policy for such Claim shall be the Maximum Policy Aggregate Limit. However, Insurers will never pay more under any one Insuring Clause than the applicable Limit applicable to that Insuring Clause as stated in the Schedule. The Insurers have the sole discretion to allocate amounts paid, if any, against the appropriate Limit of Liability.

Excess Applicable to Each Insuring Clause

The Excess amount for each Insuring Clause, as stated in the Schedule, applies separately to each Claim. The Cyber Limit of Liability shall not be reduced by the amount of any Excess.

If more than one Insuring Clause applies to a Claim, only the single highest Excess will apply to such Claim.

An Insured's payment of the applicable Excess is a condition precedent to payment by the Insurer of any amounts under this Policy, and the Insurer shall only be liable for the amount that exceeds the Excess, up to the applicable Cyber Limit of Liability stated in the Schedule.

An Insured must make direct payments within the Excess to the appropriate parties designated by the Insurer.

Waiting Period

The Waiting Periods set forth in the Schedule apply solely to Insuring Clauses H (BrandGuard) and I b) (System Failure Coverage: Non-Physical Business Interruption). The Waiting Period applies to each Period of Restoration and Period of Indemnity.

Territorial Limits

This Policy applies to Claims brought or maintained, Wrongful Acts committed and First Party Insured Events taking place anywhere in the world other than in relation to Insuring Clause M (Property Damage Loss) where cover applies only to Covered Property and Operations at an Insured Location.

Loss Determination

Brand Loss

The Brand Loss payable under Insuring Clause H (BrandGuard) will be calculated by taking into account:
the prior experience of the Named Insured's business preceding the date of the Adverse Media Report or Notification, whichever applies, and the Named Insured's likely net profit had no Adverse Media Report been published or Notification occurred;
income derived from substitute methods, facilities or personnel the Named Insured uses to maintain the Named Insured's revenue stream;
the Named Insured's documentation of the trends in the Named Insured's business and variations in or other circumstances affecting the Named Insured's business before or after the Adverse Media Report or Notification, which would have affected the Named Insured's business had no Adverse Media Report been published or Notification occurred; and
any fixed operating expenses, including ordinary payroll, but only to the extent that such operating expenses must continue during the Period of Indemnity.
For purposes of calculating Brand Loss, net profit will include the amount of Money paid or payable to the Named Insured, including donations, for goods, Products or services sold, delivered or rendered in the normal course of the Named Insured's business.

Digital Asset Loss

Digital Assets Loss under Insuring Clause I a) (System Failure: Data Recovery) will be determined as follows:
If the impacted Digital Asset was purchased from a third party, the Insurers will pay only the lesser of the original purchase price of the Digital Asset or the reasonable and necessary Digital Assets Loss.
If it is determined that the Digital Assets cannot be replaced, restored or recreated, the Insurers will only reimburse the actual and necessary Digital Assets Loss incurred up to such determination.

Income Loss

The Income Loss payable under Insuring Clause I b) (System Failure: Non-Physical Business Interruption) will be calculated as follows:
the Named Insured's net profit, as could have been reasonably projected, but which has been lost as a direct result of a System Failure; plus
any fixed operating expenses incurred, including ordinary payroll, but only to the extent that such operating expenses must continue during the Period of Restoration.
Income Loss will be calculated by taking into account:
the prior experience of the Named Insured's business preceding the date of the System Failure and the Named Insured's likely net profit had no such System Failure occurred;
income derived from substitute methods, facilities or personnel the Named Insured uses to maintain the Named Insured's revenue stream; and

the Named Insured's documentation of the trends in their business and variations in or other circumstances affecting the Named Insured's business before or after the System Failure, which would have affected the Named Insured's business had no such System Failure occurred.

For purposes of calculating Income Loss, net profit will include the amount of Money paid or payable to the Named Insured, including donations, for goods, Products or services sold, delivered or rendered in the normal course of the Named Insured's business.

Property Damage Loss Adjustment and Settlement

Loss Adjustment

Loss, if any, under Insuring Clause M (Property Damage Loss) will be adjusted with and payable to the Named Insured, or as may be directed by the Named Insured. The interests of any lender, mortgagee and/or loss payee will also be included in loss payments as their interests may appear, when named on this Policy as a lender, mortgagee and/or loss payee.

Valuation

Adjustment of the physical loss amount payable under Insuring Clause M (Property Damage Loss) will be computed as of the date of the loss at the location of the loss. The Insurers shall not pay more than the Named Insured's financial interest in the Covered Property, subject to the provisions below.

ii) For all Covered Property, the loss amount will not exceed the lesser of the following:

(1) the cost to repair Covered Property; the cost to rebuild or replace Covered Property on the same site with new materials of like size, kind and quality; the cost of rebuilding, repairing or replacing Covered Property on the same or another site, but not to exceed the size and operating capacity that existed on the date of loss; or the cost to replace unrepairable electrical or mechanical equipment, including computer equipment, with equipment that is the most functionally equivalent to that damaged or destroyed, even if such equipment has technological advantages and/or represents an improvement in function and/or forms part of a program of system enhancement;

the selling price of real property or machinery and equipment, other than stock, offered for sale on the date of loss;

the increased cost of demolition, if any, resulting from loss covered by Insuring Clause M (Property Damage Loss), if Covered Property is scheduled for demolition;

the unamortized value of improvements and betterments, if Covered Property is not repaired or replaced at the Named Insured's expense; or

the Actual Cash Value if the Covered Property is useless to the Named Insured or is not repaired, replaced or rebuilt on the same or another site within two (2) years from the date of the loss.

The Insured may elect not to repair or replace Covered Property that is lost, damaged or destroyed. Loss settlement may be elected on the lesser of repair or replacement cost basis if the proceeds of such loss settlement are expended on other capital expenditures related to the Named Insured's Operations within two (2) years from the date of loss. As a condition of collecting under this provision, such expenditure must be unplanned as of the date of the loss and must be made at an Insured Location.

Material Changes

Mergers and Acquisitions

If, during the Period of Insurance, the Named Insured:

purchases assets or acquires liabilities from another entity in an amount no greater than 10% of the Named Insured's assets as listed in its most recent financial statement; or

acquires another entity whose annual revenues are no more than 10% of the Named Insured's annual revenues for their last completed financial year; and

there is no material deviation to the Named Insured's business activities; and
prior to the acquisition, not being aware of any cyber claims or circumstances that could give rise to such a
claim;

then this Policy shall automatically include such entity as an Insured but only in respect of any Claims for
Wrongful Acts or First Party Insured Events that occur after the acquisition date of such entity.

Sold Subsidiaries

If, during the Period of Insurance, the Named Insured sells a subsidiary then that subsidiary will continue to
be an Insured for the duration of the Period of Insurance, but only with respect to Claims for Wrongful Acts or
First Party Insured Events that occur on or after the applicable Retroactive Date and prior to the effective date
of the sale. The Named Insured must give Insurers written notice of any such sale within sixty (60) days of the
effective date of the sale. There will be no return premium.

General Conditions

Assistance and Cooperation

As a condition precedent to coverage under this Policy, every Insured shall cooperate with Insurers and its
representatives and, upon the Insurer's request, shall submit to examination by a representative of the
Insurers, under oath if required; attend hearings, depositions and trials; assist in effecting settlement;
cooperate in the securing and giving of evidence, obtaining the attendance of witnesses and in the conduct of
suits; and shall give a written statement(s) to the Insurer's representatives for the purpose of investigation
and/or defense, all without charge to the Insurer, except as provided under Insuring Clause O (Court
Attendance Costs). Every Insured shall further cooperate with Insurers to do whatever is necessary to secure
and effect any rights of indemnity, contribution or apportionment that any Insured may have. No Insured shall
take any action which in any way increases the Insurer's exposure under this Policy.

Every Insured must execute or cause to be executed all papers and render all assistance as reasonably
requested by the Insurer, which may require an Insured to provide copies of a third party's system security
and event logs.

No Insured will admit liability, make any payment, assume any obligation, incur any expense, enter into any
settlement, stipulate to any judgment or award or dispose of any Claim without Insurer's prior written
agreement, unless otherwise permitted under any Insuring Clause of this Policy. However, the prompt public
admission of a Privacy Breach or Security Breach potentially impacting the Personally Identifiable Information
of Employees or third parties, as required by Privacy Regulations or Card Association operating requirements,
will not be considered an admission of liability requiring Insurer's prior written agreement; provided, however,
that the Insured must provide notice to the Insurer, in accordance with Notification and Claims Condition D of
this Policy, of such public admission, if it is a circumstance that could lead to a Claim.

Subrogation

If any payment is made under this Policy, the Insurer shall be subrogated to the extent of such payment to all
rights of recovery thereof, and the Insured shall execute all documents required and do everything that may
be necessary to secure such rights, including the execution of such documents necessary to enable the
Insurer to effectively bring proceedings in the name of any Insured, and shall provide all other assistance and
cooperation which the Insurer may reasonably require. The Insured shall do nothing after a Claim is made to
prejudice the Insurer's subrogation rights.

Any recoveries shall be applied first to subrogation expenses, second to Damages, Defence Costs or any other
amounts incurred by the Insurer, and lastly to the Excess. Any additional amounts recovered will be paid to
the Insured.

Other Insurance

If other valid and collectible insurance is available to any Insured for a Claim to which this Policy applies, the Insurer's obligations are limited as follows:

Primary Insurance - All First Party Insuring Clauses of this Policy except Insuring Clause M (Property Damage Loss) are primary to any other valid and collectible insurance available to any Insured.

Excess Insurance - All Third Party Insuring Clauses of this Policy are excess over any other valid and collectible insurance (including the amount of any Excess and/or retentions) available to any Insured, including any insurance under which there is a duty to defend and regardless of whether such other policy or policies are stated to be primary, contributory, excess, contingent or otherwise, unless such insurance is written specifically as excess insurance of this Policy by reference in such other policy to the Policy number set forth in the Schedule.

Contingent Insurance - Insuring Clause M (Property Damage Loss) provides coverage for physical loss of or damage to Covered Property only in the absence of other valid and collectible insurance.

Cancellation

This Policy may be cancelled by or on behalf of the Insurer by fourteen days' notice given in writing to the Insured.

Dishonest or Fraudulent Act or Omission

In the event of a loss or Claim which involves the dishonest, fraudulent or malicious act or omission of any former or present Employee, the Named Insured shall take all reasonable action (including legal proceedings) to obtain reimbursement from the Employee concerned (and from any Employee who may have conspired to commit or have condoned such act or omission) or from the estate or legal representatives of such Employee. Any monies which but for such dishonest, fraudulent or malicious act or omission would be due to such Employee from the Named Insured or any monies held by the Named Insured for such Employee shall be deducted from any amount payable under this Policy.

Fraudulent Claims

If the Insured shall make any Claim knowing the same to be fraudulent or false as regards the amount or otherwise (including the provision of false or fraudulent documents or statements) then the Insurer will:

refuse to pay the whole of the Claim; and

recover from the Insured any sums that it has already paid in respect of the Claim.

The Insurer may also notify the Insured that it will be treating (all sections of) this Policy as having terminated with effect from the date of the earliest of any of the fraudulent act. In that event the Insured will:

have no cover under the Policy from the date of termination; and

not be entitled to any refund of premium.

Invalidity

If any provision of this Policy is found by any court or administrative body of competent jurisdiction to be invalid or unenforceable this will not affect the other provisions of this Policy which will remain in full force and effect.

Notices

Notice shall be deemed to be duly received in the course of post if sent by pre-paid letter post properly addressed to:

in the case of the Named Insured, either to the Named Insured's last known address or the last known address of the Named Insured's broker;

in the case of the Insurer, to HCC International Insurance Company PLC at The St Botolph Building, 138 Houndsditch, London, EC3A 7BT, United Kingdom.

If a mediator is not agreed then either party may apply to the Centre for Effective Dispute Resolution ('CEDR') for the appointment of a mediator. The parties agree to share equally the costs of CEDR and of the mediator and that the reference of the dispute to mediation will be conducted in confidence.

The Insured and the Insurer agree to perform their respective continuing obligations under this Policy while the dispute is resolved unless the nature of the dispute prevents such continued performance of those obligations. If any such dispute is not resolved by mediation or the Insured and the Insurer cannot agree upon the appointment of a mediator or the form that the mediation will take the dispute will be submitted to the jurisdiction of any court of competent jurisdiction within England and Wales and each party agrees to comply with all requirements necessary to give such court jurisdiction.

International Sanctions

The Insurer will not provide cover, be liable to pay any claim or provide any benefit if to do so would expose the Insurer (or any parent company, direct or indirect holding company of the Insurer) to any penalty or restriction (including extraterritorial penalties or restrictions so far as such do not contradict laws applicable to the Insurer), arising out of any trade and economic sanctions laws or regulations which are applicable to it.
