4. take all reasonable precautions:
 - a) to prevent any event which may give rise to liability under this **Policy**; and
 - b) in the selection and supervision of **Employees** and external contractors.

Fair Presentation of Risk

The **Insured** must take care to give accurate and complete information relating to the insurance provided by this **Policy** and is required to make a fair presentation of the risks that are or would be insured under this **Policy**.

A fair presentation of the risks means that, in addition to answering any questions asked, the **Insured** must:

1. disclose to the **Insurer** every material fact or circumstance which the **Insured** know or ought to know or, failing that, sufficient information to alert the **Insurer** of the need to make further enquiries;
2. make such disclosure in a reasonably clear and accessible manner; and
3. ensure that, in such disclosure, any material representation as to a matter of fact is substantially correct, and a matter of expectation or belief is made in good faith.

A circumstance is material if it would influence the **Insurer's** judgement (as a prudent underwriter) in determining whether to take the risk and, if so, on what terms. If the **Insured** is in any doubt as to whether a circumstance is material, then the **Insured** should disclose it.

If the **Insured** becomes aware that the information the **Insured** has given to the **Insurer** is inaccurate or incomplete or the **Insured** has any particular concerns about any of the

information the **Insured** have provided or should provide, before or after the start date of this insurance as shown in the **Period of Insurance**, then the **Insured** must advise the **Insured's** Insurance Adviser.

If the information the **Insured** has given the **Insurer** in relation to this insurance proves to be inaccurate or incomplete, then the **Insurer** may:

1. amend the terms of this **Policy**, which may be applied as if they were already in place prior to any claim where the validity of that claim was impacted by the inaccurate or incomplete information, or
2. reduce the amount the **Insurer** pay on a claim in the proportion the premium paid bears to the premium that the **Insurer** would have charged the **Insured** had the information not been inaccurate or incomplete, or
3. treat this **Policy** as if it never existed, which means no claims will be paid and the **Premium** paid under it will be returned. This will only be done if this insurance would not have been provided if the information given had not been inaccurate or incomplete.

If the **Insurer** establishes that the **Insured** deliberately or recklessly provided false or misleading information in relation to the insurance provided under this **Policy**, the **Insurer** will treat this insurance as if it never existed for the **Period of Insurance**, which means no claims will be paid and the **Insurer** will not return the **Premium**. If this happens the **Insurer** will advise the **Insured** in writing to the **Insured's** address shown in the **Schedule**.

If the **Insured** becomes aware that any information it has provided is inaccurate, or if its insurance requirements change, the **Insured** must inform its Insurance Adviser as soon as practicable.

If:

1. the information the **Insured** has given the **Insurer** in relation to this insurance changes, or
2. there is any significant change in or variance of the risk,

before or during the **Period of Insurance**, then the **Insured** must notify the **Insurer** in writing as soon as practicable as it may result in:

- a. the **Insurer** applying different terms; and/or
- b. a claim not being paid (in whole or in part); and/or
- c. it being determined that this **Policy** is no longer suitable to meet the **Insured's** needs.

The **Insured** must make a fair presentation of the risks to the **Insurer** if there is any significant change in or variance of the risk before or after the start date of this insurance.

The decision to impose additional terms will be at the absolute discretion of the **Insurer** and will be based upon what the **Insurer** would have done had a fair presentation of

risk been made and will be notified in writing to the **Insured's** Insurance Adviser.

In the event that any loss relates to Property Insured by the Business "All Risks" **Section** or the Information Technology **Section** and the **Insurer** charges an additional premium then it is at the **Insurer's** discretion whether to pay to the **Insured** the value of the Property Insured at the time of any **Damage** or at the **Insurer's** option reinstate or replace such Property Insured or any part of the Property Insured.

Fraud

If the **Insured** dishonestly or recklessly makes any claim, the **Insurer** shall not be liable to pay that claim and the **Insured** shall repay to the **Insurer** any sums already paid by the **Insurer** in respect of that claim. The **Insurer** may cancel this insurance from the date of the fraudulent act on written notice to the **Insured** and will not be liable for any claims after the fraudulent act, and will not return any premium.

International Sanctions

The **Insurer** will not provide cover, be liable to pay any claim or provide any benefit if to do so would expose the **Insurer** (or any parent company, direct or indirect holding company of the **Insurer**) to any penalty or restriction (including extraterritorial penalties or restrictions so far as such do not contradict laws applicable to the **Insurer**), arising out of any trade and economic sanctions laws or regulations which are applicable to it.

Limit of Liability – applicable to Sections 1-11

The liability of the **Insurer** for **Compensation** payable under any one **Section** (or Item or Sub-Section therein) or **Extension** for any one claimant or number of claimants in respect of or arising out of any one occurrence or series of claims arising out of any one occurrence or all occurrences of a series consequent on or attributable to one source or original cause shall not exceed the appropriate **Limit of Liability** stated in the **Schedule** to the relevant **Section**.

Non-Invalidation Applicable to Sections 1-11

The insurance provided by this **Policy** shall not be prejudiced by any act or omission unknown to or beyond the control of the **Insured** whereby the risk of **Damage** to property or **Bodily Injury** is increased, provided that the **Insured** upon becoming aware of such act or omission shall as soon as practicable give notice in writing to the **Insurer** and pay an additional premium if required and comply with any additional requirements imposed by the **Insurer**.

This Condition shall not apply to:

1. any breach by the **Insured** of its duty of disclosure (including its duty to make a fair presentation of the risk); or

2. any breach by the **Insured** of a condition under this **Policy** which is not a Policy Protection and Maintenance Condition (as set out below).

This **Policy** and the **Schedule** shall be read together as one contract and any word or expression to which a specific meaning has been attached in any part of this **Policy** or the **Schedule** shall bear such specific meaning wherever it may appear.

In respect of **Section 12** only any dispute concerning the interpretation of the terms, conditions or exclusions contained herein is understood and agreed by both the **Insured** and the **Insurer** to be subject to the laws of England and Wales. Each party agrees to refer any such dispute to a mediator to be agreed between the **Insured** and the **Insurer** within 14 (fourteen) working days of any dispute arising under this **Policy**. If a mediator is not agreed then either party may apply to the Centre for Effective Dispute Resolution ('CEDR') for the appointment of a mediator. The parties agree to share equally the costs of CEDR and of the mediator and that the reference of the dispute to mediation will be conducted in confidence.

The **Insured** and the **Insurer** agree to perform their respective continuing obligations under this **Policy** while the dispute is resolved unless the nature of the dispute prevents such continued performance of those obligations. If any such dispute is not resolved by mediation or the **Insured** and the **Insurer** cannot agree upon the appointment of a mediator or the form that the mediation will take, the dispute will be submitted to the jurisdiction of any court of competent jurisdiction within England and Wales and each party agrees to comply with all requirements necessary to give such court jurisdiction.

Upon receipt of such notice, the **Insurer** may at its absolute discretion agree to continuation of this **Policy**, to be confirmed by way of a written endorsement to this **Policy**. In the absence of such agreement and/or if notice is not forthcoming as required under this Condition, the cover provided by this **Policy** shall cease with immediate effect at the date of the change of control.

For the avoidance of doubt, the **Insured** shall not be entitled to an indemnity in respect of any claims made under this **Policy** where notification of the claim occurs after a change in control (as referred to in this Condition) where the change of control was not reported to the **Insurer** and approved in accordance with this Condition.

It is agreed that the **Insurer** shall give not less than 15 (fifteen) days prior notice of cancellation to the **Insured** via their Insurance Adviser. If premium due is paid in full to the **Insurer** before the notice period expires, notice of cancellation shall automatically be revoked. If not, this **Policy** shall automatically terminate at the end of the notice period.

If any provision of this Clause is found by any court or administrative body of competent jurisdiction to be invalid or unenforceable, such invalidity or unenforceability will not affect the other provisions of this Clause which will remain in full force and effect.

Notification and Claims Conditions applicable to this Management Liability Section

A. Notice

The **Insured** shall give written notice, including full details, to the **Insurer** of any **Claim** or any **Wrongful Employment Practice** as soon as reasonably practicable within the **Period of Insurance**, (or **Discovery Period**, if applicable), and, where it has not been reasonably practicable for the **Insured** to give notice during the **Period of Insurance**, (or **Discovery Period**, if applicable), then notice shall be given within 28 days of the date of expiration of the **Period of Insurance**, (or **Discovery Period**, if applicable).

If written notice of a **Claim** has been given to the **Insurer** as prescribed above, then any further **Claim** which arises out of, based upon or attributable to the same or related or continuous or repeated **Wrongful Acts** will be considered together with the earlier **Claim** as a **Single Claim** and will be deemed to have been first notified at the time of the original notice.

If, during the **Period of Insurance**, the **Insured** becomes aware of any circumstances which may reasonably be expected to give rise to a **Claim**, and gives written notice to the **Insurer** of such circumstances and the reasons for anticipating such a **Claim**, with full particulars as to dates, persons and entities involved, potential claimants and the consequences which have resulted or may result from any anticipated **Wrongful Act**, then any **Claim** subsequently arising out of, based upon or attributable to essentially the same circumstances or **Wrongful Acts** will be deemed to have been first made at the time notice was first given.

All notices under Claims condition A shall be in writing, referring to the Policy Number, and be made to the address set out in the **Schedule**.

Notification of **Claims** in compliance with this Claims Condition A is a condition precedent to the liability of the **Insurer** hereunder.

B. Defence and settlement of claims and consent

It is the duty of the **Insured**, not the **Insurer**, to defend **Claims**. The **Insurer** shall be entitled to participate fully in the investigation, defence and negotiation of any settlement of any **Claim**. In respect of any **Claim** brought or maintained by, on behalf of or at the instigation of any **Insured**, **Outside Entity** or the latter's directors or officers, the **Insurer** shall have the right (but not the duty) to control the investigation, defence and negotiation of any settlement of such **Claim**.

In the event of any disagreement arising between the **Insurer** and an **Insured** as to whether or not to contest or settle any legal proceedings or proceed with any appeal of a decision of a Court, then the parties agree that it shall be determined by a King's Counsel to be mutually agreed upon, or in default of agreement to be nominated by the Chairperson of the Counsel to be mutually agreed upon, or in default of agreement to be nominated by the Chairperson of the Bar Council. Such King's Counsel shall act as an expert and not an arbitrator and their determination shall be based upon the written submissions of the parties and shall be final and binding on the parties. There shall be no obligation on the King's Counsel to provide reasons unless specifically requested by the **Insured** or the **Insurer**. The costs of any reference to determination shall be deemed to form part of the **Defence Costs**.

An **Insured** shall not admit or assume any liability, enter into any settlement agreement, consent to any judgment, pay any **Loss**, or otherwise incur any **Defence Costs** without the **Insurer's** prior written consent, which shall not be unreasonably withheld or delayed. The **Insurer** shall not be liable to pay any settlement incurred without its prior written consent.

The **Insured** shall provide to the **Insurer** all information, assistance and cooperation with regard to a **Claim**.

The **Insurer** shall advance **Defence Costs** on an as-incurred basis in respect of covered **Claims**. If it is finally determined that any such **Defence Costs** so advanced are not covered under this Management Liability Section, the **Named Company** shall repay such amounts to the **Insurer**.

C. Allocation

The **Insurer** shall pay only those amounts or portions of **Loss** allocated to covered matters claimed against the **Insured**. If the **Insured** incurs any **Loss** arising out of a **Claim** that includes both matters covered and matters not covered by this Management Liability Section, or that is made against both covered and non-covered parties, the **Insured** and the **Insurer** shall use their best efforts to determine a fair and proper allocation of the proportion of the **Loss** covered hereunder, taking into account the relative legal and financial exposures of the parties to the **Claim** and the relative benefits to be obtained by the resolution of the **Claim**.

If an allocation cannot be agreed between the **Insured** and the **Insurer**, then the parties agree that it shall be determined, having regard to the principles stated in this Claims Condition, by a King's Counsel to be mutually agreed upon, or in default of agreement to be nominated by the Chairperson of the Bar Council. Such King's Counsel shall act as an expert and not an arbitrator and their determination shall be based upon the written submissions of the parties and shall be final and binding on the parties. There shall be no obligation on the King's Counsel to provide reasons unless specifically requested by the **Insured** or the **Insurer**.

The costs of any reference to expert determination under this Claims Condition shall be borne equally by both the **Insured** and the **Insurer**.

D. Priority of payments

If the **Insurer** is liable to pay **Loss** covered under more than one Insuring Clause, then it shall pay such **Loss** in the order it falls due. However, where it appears reasonably likely the **Limit of liability** shall become exhausted by payments of **Loss** the **Insurer** shall, subject to the **Limit of liability** and unless compelled otherwise by law or any judicial or regulatory order, pay **Loss** in the following order:
to or on behalf of an **Insured Person** under Insuring Clause A1; then

to or on behalf of any **Company** under Insuring Clause A2; then

to or on behalf of any **Company** under Insuring Clauses B and C.

E. Subrogation and recoveries

In the event of any payment under this Management Liability Section, the **Insurer** shall be subrogated to the extent of such payment to all of the **Insured's** rights of recovery. The **Insured** shall execute all papers required and do everything reasonably necessary to secure such rights

and to enable the **Insurer** to bring any recovery action or suit as reasonably required by the **Insurer**.

Any recovery received shall first be applied against any payment made by the **Insurer** with any balance remaining thereafter being remitted to or retained by the **Insured** or the **Company**, as applicable.

The **Insurer** shall not exercise any right of subrogation against an **Insured Person** unless Exclusion A applies to such **Insured Person**.

General Conditions applicable to this Management Liability Section

A. Change in control and automatic run-off

If, during the **Period of Insurance**, a **Change in Control** occurs, then coverage under this Management Liability Section will continue in full force and effect until the end of the **Period of insurance** with respect to **Claims** for **Wrongful Acts** committed or allegedly committed, and to **Investigations** in relation to events that actually or allegedly occurred or took place, before the effective date of such **Change in Control**, but coverage will cease with respect to **Claims** for **Wrongful Acts** committed or allegedly committed, and to **Investigations** in relation to events that actually or allegedly occurred or took place, thereafter (unless otherwise agreed to by the **Named Company** and the **Insurer**) and the premium will be considered fully earned in consideration of the coverage provided.
